

start your own career

Earn 50% on everything you sell.
Skin care, makeup, body care, fragrances, new orders or reorders — everything you sell earns you 50% of the suggested retail price†. It's one of the highest income-earning percentages in the industry, making it a great part-time choice or a lucrative full-time opportunity if you choose.

Sell in person or at a party.
You'll learn about techniques for applying makeup and other expert advice that you can share with family and friends. They'll love that you bring the skin care aisle and makeup counter to them so they can try before they buy. No more wasting money on unflattering shades or products that don't deliver. It's fun, personalized and a great way to sell!

Sell on the go.
Hand out the quarterly catalog, The Look, wherever you go. It's packed with new and current products, easy to wear and apply looks, great tips and lots of support for your business and your Mary Kay® Personal Web Site. You can even choose to have the Company mail The Look on your behalf to your friends and family each quarter for less than if you mailed it yourself. And it includes exclusive product samples inside when you do!

Sell online.
With a Mary Kay® Personal Web Site, your friends, family, coworkers and neighbors can browse and buy 24/7. They'll find tips, regularly updated information, the Virtual Makeover and easy ordering. Plus, you can send the monthly Beaut-e-News® newsletter
